M-40 Raceway is the premier Off-road Radio Control racetrack in West Michigan. The facility sees many racers from all over Michigan as well as Northern Indiana. R/C Racing is currently a fast growing hobby in Michigan and this is your opportunity to get your company name out to a lot of people!

Advertise your business at the M-40 Raceway during the 2008 race season. Your \$100 Sponsorship fee includes a 4ft x 4ft full color sign. (You will need to have camera ready artwork) it also includes your logo and website link on our website. And your company name or Logo goes on the back of our Race day t-shirt.
